

# Worcestershire Children First Single View of the Child

## Single View of the Child

The Single View of the Child is a secure web-based system which provides a summary of the information Worcestershire Children First hold on a child – this helps practitioners identify the plan for that child and who the lead professional is.

Information provided includes name and address, school details, name and contact details of Social Worker and other key indicators. You can search using name, address, date of birth and some reference numbers (eg. NHS number).

This is a screenshot of a typical single view of the child record:

**Name**

**Address**

**Date of Birth**

**Chosen Name**

**Also known as Name**

**Gender**

**UPN**

**NHS Number**

**Liquid Logic Number**

Wherever you see this symbol differing information is recorded in Liquid Logic

**Professionals known to be associated with the child**

Team	Role	Full Name	Phone Number
Operational Team	System Administrator		

**School History (0)**

School	Start	End	Registration	Reason
No school history to show...				

**Additional Information**

Looked after child	Early Help Assessment	Current Early Help Plan	Neet
Child Protection Plan	No	EHCP	
Child in need Plan		RONI indicator	

Due to the sensitive nature of the information, the application involves a 2-stage process, detailed below.

To get access to the single view of the child:

- Email [Support@worcschildrenfirst.org.uk](mailto:Support@worcschildrenfirst.org.uk) who will provide you with access to the Single View of the Child application page.
- Complete the information requested on the application page (You will need to have a recognised organisational email address).
