OUR SERVICES

Emergency Accommodation

- We provide a safe, welcoming place to stay for a homeless young person in the home of one of our volunteer hosts.
- All hosts are fully trained by Nightstop and are DBS checked.
- Placements can be short term or longer term, depending on need and the availability of hosts.
- Whilst a young person is on placement, our Nightstop team provide wraparound support tailored to the needs of the young person and link in with other agencies to ensure that ongoing support is available.

Crisis Support

- We provide crisis support for young people who are homeless, or at risk of homelessness.
- This support includes the provision of essential food, clothing and toiletries for the young person and advice, information and support.
- We work closely with other agencies in the local area and signpost the young person to them or our mediation or counselling services when appropriate.
