This week is Safeguarding Adults Week

National Safeguarding Adults Week is a time when organisations come together to raise awareness of important safeguarding issues.

We are pleased to work in partnership with **WORCESTERSHIRE SAFEGUARDING** to support the work of the Safeguarding Adults Board and ensure that carers are at the heart of the conversations that make a difference to them and in their caring role.

In the run up to Carers Rights Day on the 21st November, we also recognise the importance of a carers' right to care safely.
